Community Garden Lead Volunteer
Location: Two Rivers Community Garden
Stipend: $250 annual stipend (garden season April – October)
We're seeking a dedicated volunteer to manage and maintain our organic community garden from April to October. This role involves coordinating garden tasks, leading volunteers, and fostering a sustainable, inclusive environment.

Responsibilities:

- Oversee daily operations (watering, weeding, soil prep)
- Lead and engage volunteer teams
- Coordinate weeding and wood chip–laying events with garden volunteers
- Develop a garden schedule and ensure tasks are completed on time
- Monitor and report on garden progress to Two Rivers Parks & Recreation
- Maintain organic practices and address issues (pests, weeds, equipment)
- Keep tools functional and replace broken items as needed
- Coordinate produce distribution to community members or local food banks

Qualifications:

- Passion for gardening, sustainability, and community building
- Strong leadership and communication skills
- Gardening experience preferred but not required
- Ability to work both independently and as part of a team
- Willingness to uphold the garden's mission and values

Time Commitment:

- 10–15 hours/month (April–October)
- Flexible scheduling

Benefits:

- $250 annual stipend
- Hands-on gardening and leadership experience
- Opportunity to support sustainability and local food access
- Free garden plot
